What do you mean you merged with him?
I panicked! He was losing a lot of ink!
Ooo, interesting. I didn't think you of all things would get swept up in this sordid mess.
Don't care about your mess! How'd that happen to him?
I thought the tape was safe!
Calm down, Blot. Let me say something...
To Acres' pawn: You were given an incredible power. Why the hell are you not using it?
Tear. This. City. Apart!

Blot?
That. . . logo?
THUD
THWOCK
CRASH!
Parmesan? Everything okay?
Ah man Toma I had the weirdest dream!
YAWNZZZZ

POW!

Are we really doing this again? Faux, bro. I gave you everything. Just give me some peace and quiet as payment.

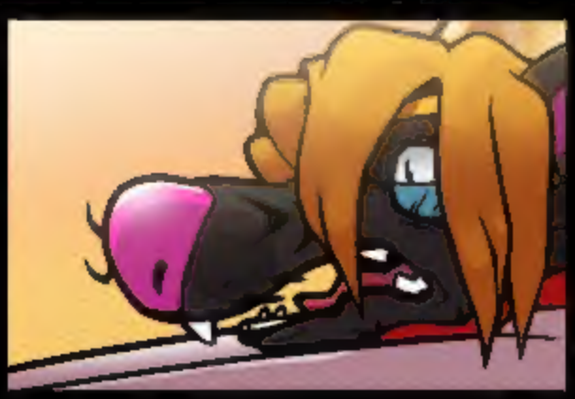
PARMESAN? REALLY!?

You gave up your crown for such a CHEESY name?

I need you OUT, out of this whole city!

So now what? Going to take my business, too? Going to do nothing with it, like you've done nothing with the Book, nothing with the crown?

I'm done. You're getting NOTHING from me ever again.



I~I can't risk the Book turning tail and going back to you. I can't risk the folks finding out I failed.
I'm. . . going to come back tonight. I will bring the entire Book down on this place until there is nothing left.
I'm. . . not leaving.
!
Fine, bro.
!
Thanks for reuniting us, little dude.
Blot. Is Inkbolt really that strong?
Think so, but. . .
THEN I'm going to tear that rat ap-
Toma. Come sit beside me and chill for a bit. Okay?
